July Events for the Golf Course

Independence Day Golf Saturday, July 4th

South Carolina Open Championship Monday, July 20th thru Thursday, July 23rd

Golf Shop News

We look forward to hosting the 58th South Carolina Open from Monday, July 20th through Thursday, July 23rd. We last hosted this event in June of 1997. The field will be comprised of Professionals from North and South Carolina as well as top ranked amateurs from each state. We once again need your help. Volunteer positions will be morning and afternoon shifts. Once the starting field size is determined, we will then be able to designate shift assignments. Ball spotting, scoreboard, transportation, practice facilities, and scoring are most of the areas that Members may assist with for this event. Please call Mark in the Golf Shop to volunteer for the South Carolina Open.

The Independence Day Celebration will begin at 7:00pm on Saturday, July 4th. Please call Melissa at (864) 882-2291 to make reservations for this event.

We thank you for your cooperation in repairing ball marks and filling your divots with sand. The golf course is in great condition and your continued attention to these details is much appreciated.

Golf Course News

The rains of this spring and early summer have been extremely beneficial to the course. At times we have fallen behind on the bunker maintenance, but with schedule changes, that problem has been solved.

The #14 phase of the sewer project is behind us now and the turf is just days from being back to the original condition. The rest of the project will begin late July or August.

There are still a few trees on the property that the storms took down. We will finish removing them soon.

All the turf is doing well considering the heat and amount of play we are receiving. Please sand your divots and repair your ball marks.
