Members One Day Championship
Saturday, May 23rd

18 Hole Mixer
Sunday, May 24th

Golf Shop News

We would like to encourage your participation in our upcoming Club events. Your support of these events is critical to the success of our golf program. The Men's Member-Guest is scheduled for May 15-17. The golf course will be open to participants only from Friday, May 15 at 3:30pm until Sunday, May 17 at 3:00pm. We also encourage ALL members to sign up for the Members' One Day Championship on Saturday, May 23rd. The format for this event is Individual Gross and Net. You may arrange your own foursome or sign up and the Golf Staff will assign you a group. The entry fee is \$10.00 per person. We will also have an 18-Hole Mixer on Sunday, May 24th beginning at 1:00pm with a Mexican themed dinner to follow. Please call the Golf Shop to sign up for the Mixer and call the Grille staff to sign up for dinner.

We have repeatedly asked for your cooperation in following the daily cart rules posted in the Golf Shop, but we have some members that have chosen not to comply. Persons who violate the cart policy will face the following action;

First Offense- Seven Day suspension of cart Privileges

Second Offense- Thirty day suspension of cart AND Golf Privileges.

Due to damages that have occurred on the golf course, we feel it is imperative to institute this strict policy. This applies to all golf cart operators inclusive of private golf cars. The Golf shop and Maintenance Staff will enforce this matter.

The Taylor Made R9 demo drivers have arrived. We have had positive comments regarding this club from everyone who has tried it. Please stop by the Golf Shop to try the hottest club for 2009.

Golf Course News

Well, as we all have noticed, the rains came back! The cooler temperatures and cloudy days have slightly delayed the Bermuda transition but this will soon pass. On the other hand, it has been great weather for the greens. The spotted yellowing of the greens is the reaction of the poa anna being treated with a growth retardant, which will allow the bentgrass an opportunity to take over the poa.

We are now into full mowing mode and hope to keep the clippings to a minimum. There is still some tree and bunker work left to do and hopefully our work on #14 will start soon. Please be patient.

Please respect the “cart path only” times and again we urge you to please repair your ball marks.
