Golf Shop News

We would like to congratulate the flight winners from the Men's Member-Guest. Thanks to all who participated in what was a fun filled weekend! The winners are as follows:

Flight 1- Shane McGuffin/ Jon Land

Flight 2- Mark Solon/ Dennis Solon

Flight 3- Jim Sites/ Bill Blackwell

Flight 4- Frank Brennan/ Doug Sprague

The PGA of America has a new event for which we will host a local qualifier on Saturday, June 13th. The McGladrey Team Championship is a three person, net better ball event with amateurs receiving 75% of their handicap. We must have a minimum of seven (7) teams to send a team to the sectional qualifier in early August. The winning team from our local qualifier will advance to a sectional qualifier at Kiawah Island. The entry fee for the local qualifier is \$80.00 per

person. The entry fee for the sectional qualifier is \$100.00 per player. Each person would be responsible for all of their travel expenses to sectional and national qualifiers. Members are responsible for forming their own team.

The Junior Golf Clinic for boys and girls will be Tuesday, June 9th through Friday, June 12th beginning at 9:30am each morning and ending at 11:30am each day. Drew and Austin Ernst will be assisting me daily with a focus on fun and fundamentals. The cost per child will be \$95.00. Please call the Golf Shop to sign up for this Clinic. We will also have a Junior Golf Clinic on July 7th through July 10th at the same starting and ending times. Drew and Austin will also be available to assist with this Clinic.

Please remember to put these events plus our Golf events for June in your calendar.

We would like to thank all of you who have cooperated with the daily Cart Policies. Unfortunately, we still have a select few who are disregarding these rules. Carts are **NOT ALLOWED WITHIN 20 YARDS OF ANY GREEN**. If you are parking the cart too close to the greens, you will lose cart privileges.

Golf Course News

Obviously, the drought has broken and we have gone to the other extreme. This has been good bentgrass weather, but poor bermuda grass conditions. Hopefully, summer heat will soon be upon us and the weak areas of bermuda and zoysia grass will fill in.

We found a break in the rain and were able to finish the prep work and install the sod on #14 fairway. Several trees near the second bridge have been removed. This will enable us to take advantage of the additional sunny conditions and grow bermuda grass where there was none. As the sod matures and establishes a root system, we will gradually open the hole.

The next series of projects are the aerification and top dressing of the collars and the tees. With the increase in temperatures, recovery should be very fast.

Please repair your ball marks, sand divots in the fairways and enjoy yourself!!!
