Fall Mixer
September 20th

Golf Shop News

We are anticipating a beautiful fall season of golf and football. The Fall Mixer will be held Sunday, September 20th at 1:00pm. The format for this event will be Texas scramble. We have a change for the Fall Member-Member this year on October 2nd through 4th. The format will be the 9 Hole Match Around that we use for the Men's Member-Guest. Matches will begin at 5pm on Friday, October 2nd for the first nine hole match. Matches on Saturday will begin at 9:00am and Sunday at 1pm. There will be six teams in each flight with the better ball scored per hole in a four ball match play format. All players receive 100% of their handicap with each match stroked off the low ball in the foursome. The entry fee is \$150.00 per team which includes cart fees, practice balls, and prizes. Please call the Golf Shop to sign up. The ladies Member-Guest will be held Thursday, October 8th. We encourage you to invite your guest for a day of fun and competition. We will also celebrate the 19th Anniversary of the Club on Sunday, October 18th with a tournament starting at 1pm. The Men's and Ladies Club Championship will be contested the following weekend of October 24th and 25th. The format is individual stroke play with prizes awarded to the low gross and low net finishes. Please join us for a busy and competitive month of golf in October.

Aeration of greens will begin on Tuesday, September 8th and should be completed the following day. The disruption of putting surfaces this fall will be very minimal to allow continued play in September. The course will have all eighteen holes available for play on Thursday, September 10th. Please note that ALL facilities are closed on Tuesday, September 8th.

The Club and Grille will be open Monday, September 7th in celebration of the Labor Day holiday. The golf course will open at 8:00am and grille service will begin at 11:00am serving your favorite grille sandwiches and hot dogs.

Golf Course News

The weather has broken the pattern of the last 3 years and we are enjoying periodic rains and a variety of temperatures. This has resulted in stimulated growth of the turf. We will try to keep up with the grass clippings, especially in the roughs.

Weather permitting we will be aerifying the greens on September 8th. The entire course will be closed and possibly the back 9 on Wednesday the 9th. This will be a modified procedure this year, which should result in good playing conditions right away.

The asphalt work on 13 and 14 is completed and the ride is much smoother. Please try to keep your carts off the slope on 13, so we may recover the turf as much as possible before winter.

We have several irrigation repairs to complete on the course before winter. To keep the holes open, a protective barricade will be set up to protect the workers. Each repair will take one to two days to complete.

Have fun and please repair your ball marks and sand your divots!
