Thursday, October 29th

Course Closed- Grille will be open for lunch

Golf Shop News

The month of October is filled with many golfing opportunities! We begin with the Fall Member-Member the weekend of October 2-4. The format is 9 Hole Match Around. The Ladies Member-Guest will be contested on Thursday, October 8th. We also celebrate the 19th Anniversary of the Club with a golf event on Sunday, October 18th. The format will be a Texas Scramble mixed event. The Club Championship for men and women will be held on October 24-25. This is an individual stroke play event preflighted by handicaps. Our tournament schedule winds down with Super Supper Club taking place on Sunday, November 1st. Please call the Golf Shop to sign up for these events.

Our hours of operation in October will be slightly modified. The Golf Shop will open at 8:00am and close at 6:00pm. Please call on inclement weather days for course conditions.

Golf Course News

September was one of the longest rain periods we have experienced in many years. We were lucky not to have had the amounts many of our neighbors received. The rain we did get was, for the most part, easy extended rains which helped the newly seeded areas on the greens. On the downside, this prevented us from our routine mowing, weed control, and various other projects. Hopefully the sun will return and we can get back on schedule.

Obviously, there are still bunkers with drainage problems and wet areas in the turf which need attention. As we get caught up on the mowing, we will address these areas.

Before winter sets in, I plan to resod numerous areas around the course, which at this time are bare. While you are playing golf and come up on these areas, please avoid driving on them. Our sod nursery plots have now matured and with some dry periods, this project will proceed.

There are many low areas in the fairways and roughs which will receive light top dressings to bring them up to the level of the surrounding areas. This will have to be continued next spring.

Please repair your ball marks and sand your divots! Most importantly have fun!!!
