Ladies Bunco

Wednesday, November 4th

Thanksgiving Lunch Buffet

Thursday, November 26th

Thank you for your attendance at Cross Creek's first community informational meeting. We appreciate your input and look forward to seeing you at our next meeting which is scheduled for November 5, 2009 at 11AM. We hope you will join us again!

Please be sure that we have your corrected email address! For current information, please visit www.crosscreekplantation.com.

Events for the Golf Course

Ladies Closing Day

Thursday, November 12th

18 Hole Mixer

Sunday, November 15th

Golf Shop News

We would like to thank each member who participated in our golf events this season. The final events of the golf season begin November 1st with Super Supper Club starting at 1pm. This event is an 18 Hole Team event with "Supper" served after golf. Ladies Closing Day will be Thursday, November 12th beginning at 10am with a meeting and awards to follow golf. Our season concludes with an 18 Hole Mixer on Sunday, November 15th. The format will be a two person scramble. The Tournament management software system will pick partners. Please call the Golf Shop to sign up for these events.

Early morning frost delays are to be expected during the next few months. The Golf Staff is informed of course conditions normally by 8:00am. Please call if you are unsure of the course conditions.

Please remember that appropriate dress is required for the golf course and practice facilities. Examples of non-permissible attire include jogging suits, blue jeans, etc. It is the Golf Shop Staff's responsibility to enforce these Club policies. Members or guests who are inappropriately attired will NOT be allowed to use the Golf facilities.

Golf Course News

We are well into fall and the leaf color is going to be one of the best in years. Without the droughts of the past few years, we will have a lot more leaves to deal with. Please bear with us while leaf removal will proceed as fast as possible.

With all of the rain days we have been experiencing, our projects have fallen behind schedule. Hopefully, drier days are ahead and progress can be made.

We have completed the seeding and fertilizing of the roadsides. When our stockpile of dirt dries out, we will replenish some of the low shoulders and reseed them.

Doc, our Goose Dog, has done a good job of keeping the geese off the property. The migration period of geese is about to start. If any of you see any geese on the course, I would appreciate your calling me at the shop and letting me know. The phone number is 864-888-4645. The pond areas of 9-18 and 17 are the most frequently visited areas.

I do need to remind residents of Cross Creek, that city of Seneca requires everyone using the garbage pick-up, to please bag all garbage placed in the containers. On Wednesdays, which is pickup day, trash is being spilled on the roadsides. Please help us keep the area clean!

Please repair your ball marks and sand your divots on the fairways and greens! Most importantly, have fun!!!
